

Privacy Policy

for Barhopp.is website and Barhopp App

Last updated: November 20, 2020

This Privacy Policy describes Our policies and procedures on the collection, use and disclosure of Your information when You use the Service and tells You about Your privacy rights and how the law protects You. This is relevant for Barhopp.is and the Barhopp App.

Interpretation and Definitions

Interpretation

The words of which the initial letter is capitalized have meanings defined under the following conditions. The following definitions shall have the same meaning regardless of whether they appear in singular or in plural.

Definitions

For the purposes of this Privacy Policy:

- **Account** means a unique account created for You to access our Service or parts of our Service.
- **Company** (referred to as either "the Company", "We", "Us" or "Our" in this Agreement) refers to Torio ehf, Online.
- **Cookies** are small files that are placed on Your computer, mobile device or any other device by a website, containing the details of Your browsing history on that website among its many uses.
- **Country** refers to: Iceland
- **Device** means any device that can access the Service such as a computer, a cellphone or a digital tablet.
- **Tracking technologies** means any device or functionality that collects location.
- **Personal Data** is any information that relates to an identified or identifiable individual.
- **Service** refers to the Website.

- **Service Provider** means any natural or legal person who processes the data on behalf of the Company. It refers to third-party companies or individuals employed by the Company to facilitate the Service, to provide the Service on behalf of the Company, to perform services related to the Service or to assist the Company in analyzing how the Service is used.
- **Third-party Social Media Service** refers to any website or any social network website through which a User can log in or create an account to use the Service.
- **Usage Data** refers to data collected automatically, either generated by the use of the Service or from the Service infrastructure itself (for example, the duration of a page visit).
- **Website** refers to Barhopp,
- **You** means the individual accessing or using the Service, or the company, or other legal entity on behalf of which such individual is accessing or using the Service, as applicable.

Collecting and Using Your Personal Data

Types of Data Collected

Personal Data

We may collect the following things:

Usage Data

Usage Data is collected automatically when using the Service.

Usage Data may include information such as Your Device's Internet Protocol address (e.g. IP address), browser type, browser version, the pages of our Service that You visit, the time and date of Your visit, the time spent on those pages, unique device identifiers and other diagnostic data.

When You access the Service by or through a mobile device, We may collect certain information automatically, including, but not limited to, the type of mobile device You use, Your mobile device unique ID, the IP address of Your mobile device, Your mobile operating system, location, the type of mobile Internet browser You use, unique device identifiers and other diagnostic data.

We may also collect information that Your browser sends whenever You visit our Service or when You access the Service by or through a mobile device.

Tracking Technologies

We use your location to show you places and relevant items based on your location. Your location is only tracked while you use the app.

Links to Other Websites

Our Service may contain links to other websites that are not operated by Us. If You click on a third party link, You will be directed to that third party's site. We strongly advise You to review the Privacy Policy of every site You visit.

We have no control over and assume no responsibility for the content, privacy policies or practices of any third party sites or services.

Data inside the Barhopp app and websites

The information within our websites and apps can be controlled by the owners or people in charge of certain aspects of the respective place or initially by public information collected. We have the right to help companies with adding data and keeping their data relevant inside our services. We are not liable for anything they add to the application. We have the right to ban anyone who uses this platform to add illegal content to the platform. While creating this application, public data has been gathered in a research collective manner and it has been added to the application. This practice is done in a similar manner as price comparison campaigns that are often published in newspapers within the local country of the application. The places that are mentioned inside this application can request changes and removal of data. The places can manage their data as they wish and get an account to our services for free to be able to keep the information up to date. We have the right to refuse anyone service or entry to the application. We have the right to refuse entry to places that withdraw from our services and applications. These companies will not be liable for free advertisement services the company adheres to in locations all around Iceland, in newsletters and more. The purpose for Barhopp is to help bars around Iceland utilize their potential and drive in more customers for free.

Changes to this Privacy Policy

We may update Our Privacy Policy from time to time. We will notify You of any changes by posting the new Privacy Policy on this page.

We will let You know via email and/or a prominent notice on Our Service, prior to the change becoming effective and update the "Last updated" date at the top of this Privacy Policy.

You are advised to review this Privacy Policy periodically for any changes. Changes to this Privacy Policy are effective when they are posted on this page.
